1. See **Appendices B and C** for important information on this display.
2. Except for the Cal Grant A Maximum Award and Independent Colleges/Universities Cal Grant A Recipients as a percentage of Total Cal Grant A Recipient, data on this table are for AICCU member institutions only.
3. Weighted Average Tuition represents the average amount paid by all students in the sector, not the average amount charged by institutions.
4. Weighted Average Tuition is derived by multiplying FTE student enrollment for each institution by annual tuition and fees for the institution; adding these figures for all institutions, and dividing the total by the number of FTE students of AICCU institutions.
